

THE WILSON PRACTICE

Patient update 24 July 2020

Flu clinics: diary dates but please don't phone yet

The recent Government announcement has not come as any surprise to us and our planning for delivering flu vaccinations safely to all eligible patients is well underway.

We are asking **patients over 65** and younger people in the **usual at-risk groups** to put the dates **Saturday 12 September** and **Saturday 19 September** *in their diaries* but to be aware that these are **not yet open for booking**.

**We must stress – please
DO NOT TELEPHONE TO MAKE A FLU JAB APPOINTMENT YET
We will make a further announcement when the clinics are open**

To maintain social distancing we anticipate that the clinics will run all day and we must insist that patients stick to their appointment time.

Please put the date in your diary if you are in an eligible group. As soon as we open the appointment book we will let patients know.
